New Honda Vehicle Service Plans T&Cs

ELIGIBILITY

Honda Vehicle Service Plans (VSPs) are available for purchase on or before the date of your first vehicle service.

VEHICLE SERVICING

It is the responsibility of the customer to ensure the following as part of the Honda VSP:

1. All service, maintenance, and repairs on the vehicle are completed by an approved Honda New Zealand Agent.
2. Servicing is scheduled and completed in the time / kilometre interval, as stated in the Honda New Zealand Service Schedule for your vehicle.
3. All necessary additional maintenance identified during the service is completed in the timeframe recommended.

Coverage of the Vehicle Service Plan begins at the date of first registration / purchase.

The Vehicle Service Plan does not include Warrant of Fitness, or vehicle relicense / registration.

Wear and tear items such as tyres, brake pads etc. are not included in the Service Plans and are additional costs charged to the customer as required.

Vehicle Service Plans are not available on Government, Rental, or Fleet purchases and Leases.

COVERAGE OF THE CONTRACT EXPIRES ACCORDING TO THE TERMS OF YOUR PLAN

- 3 Year VSP - 3 years after the date of first registration / date of purchase, or at 45,000 total vehicle kilometres, or maximum of 3 Services, whichever comes first.*
- 5 Year VSP - 5 years after the date of first registration / date of purchase, or at 75,000 total vehicle kilometres, or a maximum of 5 Services, whichever comes first.*

**The kilometres outlined are vehicle specific and may differ for some models. Talk to your local Honda Agent for details. Service Plans are only transferable to the new owner with the sale of your vehicle.*

Honda Certified Used, Standard & EssentialCare+ Service Plans T&Cs

ELIGIBILITY

Honda Certified Used (HCU) Vehicle Service Plan can only be purchased up to and including 30 days from your vehicle purchase date. The HCU Vehicle Service Plan is not available on Government, Rental, or Fleet purchases and Leases.

Standard & EssentialCare+ Vehicle Service Plan can only be purchased at anytime from your local Honda dealership. These service plans are not available on Government, Rental, or Fleet purchases and Leases.

VEHICLE SERVICING

It is the responsibility of the customer to ensure:

1. Standard services must be completed at an Authorised Honda outlet – see honda.co.nz.
2. Servicing must be scheduled and completed in the time / kilometre interval, as stated in the Honda New Zealand Service Schedule for your vehicle.
3. All necessary additional maintenance identified during the service is completed in the timeframe recommended, at your cost.
4. The HCU Vehicle Service Plan does not include vehicle relicense / registration / periodic maintenance items such as brake fluid, transmission oil, pollen filter, air filter, spark plugs etc. These are additional costs, charged to you as required.
5. Wear and tear items such as tyres, brake pads etc, are not included in the Service Plan and are additional costs charged to you as required.

CONTRACT EXPIRY

2 or 3 years after the date of purchase, or maximum of 2 or 3 Services, whichever comes first. Your Authorised Honda outlet can provide details, and the kilometres are specified in your Service Plan agreement. The Vehicle Service Plan is transferable with the sale of your vehicle.
